

GREAT CONFERENCES *deserve a* GREAT LOCATION

From May to August, we are the ideal location when you want to offer more than just the ordinary!

London is nestled in the heart of Southwestern Ontario and stands at the forks of the Thames River, just a two hour drive from Toronto, to the east, and two hours from the Windsor-Detroit border, to the west. London is one of the oldest cities in Canada and the 10th largest, with a population of over 336,000. We are a picturesque community providing a mixture of history and convenience, excitement and contentment, tradition and originality. We are one of those unexpected cities with constant surprises and delights for our visitors. Our tree-lined streets have brought distinction to the name "The Forest City". London is large enough to provide all the amenities visitors and residents desire, yet retains the friendliness of a smaller community.

The University of Western Ontario is located in the north-end of the City, just 20 minutes from the London Airport and 10 minutes from downtown London and the bus and train stations. The University provides the perfect setting and facilities for any size gathering, whether it's a group of 50 or 3,000 delegates. Western promotes an ambience conducive to the exchange of ideas, a true learning environment in a tranquil and relaxed, resort-like setting.

Our team of Conference Planning Professionals are available year-round, to assist you with your event planning through our convenient "one-stop-shopping" conference service. Working with the various departments on campus, Conference Services is the link between you and the many people that are instrumental in the organizing and planning of your event. We will arrange all accommodations, dining and meeting requirements, as well as parking, recreation, audio visual and much more. Conference delegates are welcome to explore a wide variety of activities and attractions in London and the surrounding area while visiting Western. Tourism London can assist with ideas for city tours, companion programs, excursions, brochures and literature on the many sights and attractions in the London area.

Many of the local and area attractions are outlined on the City of London web site at www.city.london.on.ca. Information regarding golfing in the London area can be found at www.city.london.on.ca and search "golf". Visit The University of Western Ontario at www.uwo.ca.
